8. Items Table

Be sure to enter your evidence item(s) and reference items(s) identifying names and description into the table on page 3 of this form. This descriptive information can come directly from the laboratory’s DNA reports or other official documentation.

If more space is needed, please use an additional Items page.

9. Submit Form

Be sure to enter your information directly into this electronic form. Do not use paper. Check that you have read and followed the TrueAllele Case Submission Instructions.

Please email your completed form to Cybergenetics at data@cybgen.com. If you have any questions, contact Cybergenetics at 412.683.3004.

NOTE: Cybergenetics only accepts electronic DNA data. DO NOT send biological evidence.
